READ book Employee Body Language Revealed: How to Predict

Understanding body language is a skill that can enhance your life. This understanding can be a plus in the workplace. You can know what an employee or co-worker thinks and feels by examining their subconscious body language. And, like the world's best communicators, you can have strong body language that reflects confidence, competence, and charisma.

Employee Body Language Revealed by Harmony Stalter

Body language includes actions and ways of behaving. Eye contact is a body language indicator in the workplace. Maintaining eye contact shows interest, attention, confidence and honesty.
