

engineering and mining journal pdf

International Journal of Oil, Gas and Coal Engineering (OGCE) , a peer-reviewed open access journal published bimonthly in English-language, provides an international forum for publishing the study of exploration, production, refining, petrochemicals, and the use and economics of petroleum, natural gas, coal, and other sources of energy, in particular alternative energies with a view to ...

International Journal of Oil, Gas and Coal Engineering

Journal of Electrical and Electronic Engineering (JEEE) , a peer-reviewed open access journal published bimonthly in English-language, aims to foster a wider academic interest in electrical and electronics engineering, including its intersection with physics. The journal publishes original research papers, with emphasis on theoretical and experimental work.

Journal of Electrical and Electronic Engineering

Engineering is an international open-access journal that was launched by the Chinese Academy of Engineering (CAE) in 2015. Its aims are to provide a high-level platform where cutting-edge advancements in engineering R&D, current major research outputs, and key achievements can be disseminated and shared; to report progress in engineering science, discuss hot topics, areas of interest ...
