Attention is the behavioral and cognitive process of selectively concentrating on a discrete aspect of information, whether deemed subjective or objective, while ignoring other perceivable information. It is a state of arousal. It is the taking possession by the mind in clear and vivid form of one out of what seem several simultaneous objects or trains of thought.

Mexicans of European descent or European Mexicans, are Mexican citizens of complete or predominant European descent. While the Mexican government does conduct ethnic censuses on which a Mexican has the option of identifying as "White" the results obtained from these censuses are not published. What Mexico's government publish instead, is the percentage of "light-skinned Mexicans" there ...
