european history from the pdf

The history of Europe covers the peoples inhabiting Europe from prehistory to the present. During the Neolithic era and the time of the Indo-European migrations Europe saw migrations from east and southeast and the following important cultural and material exchange. The period known as classical antiquity began with the emergence of the city-states of ancient Greece.

History of Europe - Wikipedia

The European Union (EU) is a political and economic union of 28 member states that are located primarily in Europe. It has an area of 4,475,757 km² (1,728,099 sq mi) and an estimated population of about 513 million. The EU has developed an internal single market through a standardised system of laws that apply in all member states in those matters, and only those matters, where members have ...

Urologists are bound by national and, increasingly, international laws that govern treatment options and patient care. The EAU brings together the voices of medical professionals, researchers, innovators and patients on a European platform to keep urological topics on the agendas of the authorities.
