

fiction and imagination the pdf

Fiction broadly refers to any narrative that is derived from the imagination – in other words, not based strictly on history or fact. It can also refer, more narrowly, to narratives written only in prose (the novel and short story), and is often used as a synonym for the novel.

Fiction - Wikipedia

The key author of the transition from romanticism to realism, Nikolai Vasilievich Gogol, is also one of the most important authors of the romanticism, and has produced a number of works which qualify as gothic fiction. His works include three short story collections, of which each one features a number of stories in the gothic genre, as well as many stories with gothic elements.
