There is no shortage of challenges in school education. Some of the biggest challenges we face can appear frustratingly intractable. Despite reform efforts, regular government reviews and ongoing calls for change, progress in addressing our most significant challenges is often slow and solutions continue to elude us.

â€˜Big fiveâ€™™ challenges in school education - Teacher

Educational inequality is the unequal distribution of academic resources, including but not limited to; school funding, qualified and experienced teachers, books, and technologies to socially excluded communities. These communities tend to be historically disadvantaged and oppressed. More times than not, individuals belonging to these marginalized groups are also denied access to the schools ...
