Freedom Schools were temporary, alternative, and free schools for African Americans mostly in the South. They were originally part of a nationwide effort during the Civil Rights Movement to organize African Americans to achieve social, political and economic equality in the United States. The most prominent example of Freedom Schools was in Mississippi during the summer of 1964.

2. You can be always be cured by a magic pill from Big Pharma. False. This is a corollary from the first point above. If you fall into the trap of not taking responsibility for your health "and I mean all aspects (physical, mental, emotional and spiritual) " then you may tend to see the body like a machine or vehicle that needs repairing by a doctor-mechanic.
