History. Support for blue skies research has varied over time, ultimately becoming subject to the political process, in countries such as the United States, the United Kingdom, and India. Vannevar Bush's 1945 report, *Science: The Endless Frontier*, made the argument for the value of basic research in the postwar era, and was the basis for many appeals to the federal funding of basic research.

The train took us to the maker's bench, and we laid out our son's body, chest open. Tonight the maker would give him a mainspring and wind him for the very first time. "Should we name him now, or after we've gotten to know him?" My parents had waited to name me until my second day, because they wanted to be sure the name would fit.
